Hello! This is the second volume of Bocchama wa Ijiwaru. This vol includes an exceptionally hilarious chapter Please enjoy it!

This 1/3 bottom s corner is the place where you put 'The story up till now in the serialization normally (it's mostly rubbish) Sometimes I run out of time and forget to write it or can't draw. I think I want to have this kind of talk corner in comics

This is the editor's work! It gives off a meaty feeling. She's also carrying a whip. The drawing's very detailed. But I think this outfit fits Ayaya better? Hey, Ayaya. You're the one who wants to wear this, right? I hope you're going to wear this outfit to this year's Cheese's New Year's Eve Party. What do you think?
